Dear Friend and Fair Board Supporter:

It is hard to imagine that it is already time for us to be contacting you in asking for your support again in 2015. The generous support of businesses and the community as a whole is imperative in continuing this event. The 2015 Fair will be held July 13-18. Without your continued support we would be unable to offer the Fair to the community. The Fair is solely supported by contributions, catalog advertising, and the various event and class sponsorships.

We, the Fair Board, realize it is early for your commitments, but it is necessary so that we may get the fair catalog into the hands of the public in a timely manner. The deadline for the catalog is April 15, 2015. You may mail the completed enclosed form to the address listed on the bottom left side of this correspondence.

This year, we have put together five advertising/sponsorship packages that encompass the traditional, as well as new methods of promotion available to you. Or, you may continue to select only those methods you have used in past years. Enclosed are pages that detail all the options.

All contributions are important and do make a difference. If you have any questions about sponsorship or advertising, please contact Susan Williams, our finance committee chair at 502-223-3743 (home) or 502-330-5698 (cell).

Thanking you again for your continued support of this long-standing community tradition, the Franklin County Fair and Horse Show.

Best Regards,

Richard Mitchell,
President
